Chapter 171 To 175

Chapter 171

The sweet words made Gu Mocheng hold her tightly. He looked at Su An'an and said, "An'an, you can't cheat me!"

Gu Mocheng suddenly said that suan'an didn't think deeply. She nodded and said, "I listen to you most."

Her words easily made Gu not want to get angry with her, and he did not question her about racing.

She should not have gone. Gu Mocheng thought.

"Darling!" Gu Mocheng said softly, "An'an, I don't want you to do something, do you understand?"

Su'an nodded her head as if she knew it or not, and she was always right.

Because Su An'an nodded and Gu Mocheng's frown stretched, he was reluctant to let go of the little girl and kissed her again.

Suan wondered what happened to Gu Mocheng today? How to say two or three words to kiss her, hurt her mouth full of smoke smell, hard to die.

However, when kissing, she opened her eyes and looked at Gu Mocheng's face, her heart was sweet.

"Honey, you didn't take a bath."

Gu Mucheng suddenly stopped and picked her up. Su'an was in a hurry.

She knew what to do next, but he didn't take a bath.

"Dislike me?" Asked Gu Mocheng.

"I don't spank you if you mess with me, but I have to pay for it." Gu Mocheng put her on the bed and pressed her over.

Suan wondered, how did he provoke him? Does it have something to do with her that he smokes so much today.

"Next time I don't listen, I'll beat you hard." Gu Mocheng added a sentence. Looking at suan'an under him, he suddenly felt that his little wife was not a sheep at all, but a wild cat that had never been tamed.

She seems to be clever and obedient, but in fact, she often puts out sharp claws to cause trouble everywhere.

Before that, he was blind and thought she was obedient.

"What!" Fu Xin was surprised to hear Su an's decision.

Didn't she say she wouldn't go to the race? Why suddenly decided to go.

Seeing Fu Xin's expression, suan'an asked, "didn't you encourage me to go?"

Fu Xin waved. "Ann, I don't have one."

If Gu Fucheng knows that he has encouraged Suan to take part in the racing competition, she will not be killed by Gu Fucheng.

"Ha ha." Seeing Fu Xin get nervous, Su an smiles and pats her shoulder.

"You're right. I can't play a good girl in front of Gu Mocheng all my life."

Fu Xin is stunned. "You are not afraid to dump you after Gu Mocheng knows it."

"Can you get rid of it?" "He doesn't want me," she said with a smile. "I cry, I hang, I get confused, and I have a baby with him."

She said so, but she had no idea.

"If he doesn't want me, Xiao Xin, I'll live with you forever." As she spoke, su'an put her hand on Fu Xin's shoulder, and Fu Xin took her hand away in a hurry.

"No."

"Ann, I like men."

Seeing that Fu Xin was frightened, su'an raised her mouth and smiled, "if he can't accept me like this, it means he doesn't love me enough."

"Then I will try my best to make him really fall in love with me. If he doesn't love me, I'll give up. "

Su An'an said, and the smile on the corner of his mouth faded. "A person's life is very short. If he doesn't fight for something he likes, he will regret the rest of his life."

"If you work hard, there will be no regrets. Even if I get hurt, I think it's worth it. " When Suan said this, he looked at Fu Xin.

She is talking about herself, and also with Fu Xin.

Fu Xin is too afraid of injury to face up to his feelings.

"Xiao Xin, tell me honestly if you like Lu Heng."

Su'an suddenly heard Fu Xin's face. How could she get involved with her.

Seeing Fu Xin's silence, Su'an said, "Xiao Xin, can't you even admit that you like someone?"

"There is nothing to admit." "Fu Xin retorted," he is so kind to me, I have no reason not to move. "

When I arrived at Lu's house, it was not Fu Wan, her mother, who was good to Fu Xin, but Lu Heng, her nominal brother.

Lu Heng's love for her has long been beyond his brother's and sister's feelings. Fu Xin knows it well, but he always escapes Lu Heng's love.

So many years, she is used to Lu Heng, and Lu Heng has not found a girlfriend, is also waiting for her to grow up.

People who love each other should be together, but the Lu family won't agree with them.

Fu Xin can't give Lu family benefits or help Lu Heng, and she is Lu Heng's nominal sister.

So Lu's family is anxious to help Fu Xin introduce her boyfriend. They think that when she finds someone, Lu Heng gets married and has children.

"Xiaoxin, brother Lu is really good."

Fu Xin was clear in his heart, "An'an, once I arrived at Lu's house, my mother told me not to covet things that don't belong to me. For example, the identity of Lu family, such as Lu Heng. ""Lu Heng is very good, but I'm afraid."

Fu Wan disagrees, not to mention Lu Heng's father.

"Lu Heng agrees." "If you two leave Ningcheng, he will be able to earn money and certainly be able to support you," Su said directly

"Don't be so greedy. Eat less. You'll live a good life."

"Ann." Fu Xin was not willing to laugh at the last sentence. "Am I so greedy?"

Then she paused. "He said he would take me out of Ningcheng."

Lu Heng told her, but she didn't think about it.

Su'an doesn't understand. Lu Heng has the heart to take Fu Xin away. Fu Xin is still hesitating.

Worried about Fu Wan's bad life at Lu's?

Fu Wan, taking care of his own interests, courted the landing family and ignored Fu Xin. What is his qualification to be his mother.

If it was Suan herself, she would have run long before she could listen to Fu Wan's arrangement.

"Xiao Xin, you must not listen to your mother's arrangement and marry people casually." Su An'an cares, "the last time you went to Xiao's house, Xiao Yan is a playboy. If you follow him, you will be miserable."

Although Gu Mocheng and Xiao Yan have a good relationship, Su an thinks Xiao Yan is not a good man.

Every day in the bar to play with women, but also not afraid to play sick.

"Grace." Fu Xin agreed.

"I'll think about what you said." Fu Xin added, "Ann, you decide to take part in the competition now. Let's go first and report our names, then go to the stampede."

Gu Ziming is still thinking about letting su'an sign up for the competition. Unexpectedly, su'an came to him and said he would like to compete with him.

Gu Ziming is very strange. Isn't Suan afraid that her uncle knows about her racing?

Although he wanted to let the second uncle find out su'an's secret, su'an took the initiative to find the door, and he thought there was no conspiracy in it.

"Su'an, aren't you afraid my second uncle will beat you?"

"He hit me to show that he cared about me." Suan replied.

"Are you going to tell him about my racing?" Asked Suan.

He did, but Suan asked, and he did not.

"Uncle Er will be angry when he knows about your racing." Said Gu Ziming.

"Do you want to talk to him?" Suan asked again, "how do you know if you don't say he knows?"

Gu Ziming smiles, he doesn't say, doesn't mean the second uncle doesn't know.

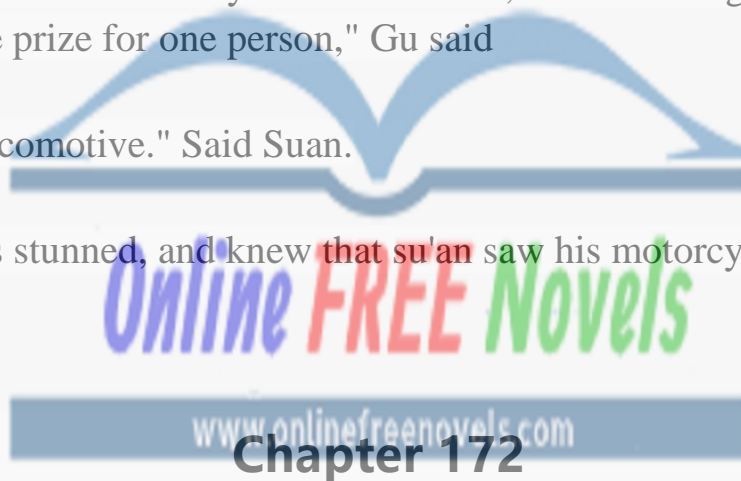

Maybe uncle Er already knows.

"Well, I'll keep it a secret for you." "Otherwise, let's win the game together and get half the prize for one person," Gu said

"I want your locomotive." Said Suan.

Gu Ziming was stunned, and knew that su'an saw his motorcycle baby.

"All right!"

The two of them will surely win the match.

The pocket pocket money is not enough in this period of time. It's time to have money if you win the prize. Gu thought to himself, but he looked at su'an in front of him. "An'an, if the second uncle knows about your racing, you must not betray me."

"Didn't you ask me to sign up for the competition?" Asked Suan.

"How am I!" Gu Ziming said angrily that if he was found by the second

uncle, he would be reluctant to beat his wife. At that time, he would not be angry with himself.

Gu Ziming regretted that he wanted to avenge su'an. He could not help but invite a fight.

"Don't worry." Suan said, touching her hands. "Do you have a car? Let's go and plant now. "

Thinking of the feeling of touching the steering wheel and stepping on the accelerator, su'an can't wait to get up.

Gu Mocheng hasn't come to sell the grottoes for a long time. The following people say that Mr. Gu is here. Xiao Yan thinks he's mistaken.

When this guy has a woman, he seldom hangs out with him. He doesn't even have time to sit down.

"What's the wind today? It's bringing Mr. Gu to me." Xiao Yan pushed the door in and said with a smile.

Gu Mocheng glanced at him, drank the red wine in the glass, and didn't return his words.

"Han longyi is better. He hid a beautiful woman in his small clinic and refused to let me have a look." Xiao Yan said with a smile that he used Han longyi's affairs to ease the atmosphere.

Gu Mocheng suddenly ran to him and gave him a bad premonition.

It won't be his wife who said the girl who hit him in the car. He didn't dare to beat his wife. Let's put the anger on him.

"Do you know where his clinic is? Let's go and have a look." Xiao Yan continued.

He can still find Han longyi's trace.

But Han longyi's kid is stubborn and doesn't listen to advice. If he doesn't get Han longyi's permission to run to a small clinic, he's afraid that Han longyi will be angry with him.

You have offended one Gu Mocheng, but you can't offend another.

He was really curious about what the beauty Han longyi hid looked like, making Han longyi so precious. If you take Gu Mocheng with you, Han longyi, who has always listened to Gu Mocheng, will never be angry again.

"No." Gu Mocheng returns to the way.

He is not interested in meddling in other people's business. "Long Yi finds a girl she likes. Don't disturb his life."

Han longyi doesn't let Xiao Yan see his girlfriend. He must be afraid of Xiao Yan's trickery.

"Am I such a person?" Xiao Yan said unhappily.

Gu didn't let him see suan'an, saying he was afraid that he would bring him bad.

Now it's a fight. Suan doesn't need him at all. It's pretty bad.

"Gu Mocheng, if you don't accompany your wife today, you come here to drink?" Xiao Yan changed the subject and asked Gu Mocheng.

"It's not like you and your wife quarreled. She won't let you go home. If you don't have a place to go, come to me."

As soon as Xiao Yan finished speaking, Gu Mocheng gave him a cold glance.

"This kind of thing will happen to you."

After Gu Mocheng said that, Xiao Yan disdained, "this kind of thing will never happen to me, because I am not married."

Marriage, what is that! He is not interested.

"I'll ask some beautiful women to come with you." No woman around, Xiao Yan is not used to, he said, Gu Mocheng light voice back, "No."

Of course, Xiao Yan knows that Gu Mocheng doesn't need it. The problem is that he wants to feel the beauty in his arms.

One on the left and one on the right. Men don't like the feeling of embracing each other. It's not good to be here.

"Neither do you."

Gu Mocheng follows a sentence and breaks Xiao Yan's idea of embracing left and right.

"Shit." Xiao Yan scolded and sat opposite to Gu Mocheng.

Gu Mocheng ignored him and drank the red wine in his glass. The dark red

liquid was shaking in the cup. Gu Mocheng thought of suan'an after being drunk. He thought of her greedy appearance when she saw red wine.

There was a smile on his lips as he thought about her.

Xiao Yan is depressed at the Buddha in front of him. Gu Mo is the only one who doesn't find a woman to drink in the golden grottoes. The problem is that he won't find one today.

"In fact, it's nothing to drag a car. Didn't you play when you were young? I also think it's very windy. "

"I'm sure that's what your wife thinks. Young people always like to show off."

Gu gave him a cold glance. "You're saying I'm old!"

What's this!

How do you feel that today's Gu Mocheng is not right!

"Gu Mocheng, you don't get angry with your wife." Xiao Yan asked. He raised his mouth and smiled. "Do you want to talk to you about something more and strike at you?"

Gu Mocheng put down his glass and looked at Xiao Yan. Xiao Yan immediately stopped smiling. He shouldn't be talkative.

Why do you have to worry about su'an's business depends on Gu Mocheng's anger!

"Say it!"

Gu Mocheng guessed that what Xiao Yan said had something to do with Su An'an, and his voice grew coldly, "she's racing!"

He said positively that she had just told her to be good last night, and she didn't listen to him.

"There's nothing wrong with racing or anything. Besides your wife's good driving skills, I'm not sure she'll win you a few million back. " Xiao Yan said with a smile, but he laughed to the back, his mouth was stiff, was frozen by Gu Mocheng's eyes.

"She didn't play." Xiao Yan said in a soft voice.

He stood up and walked in the direction of the door. If he said what he knew, Gu Mocheng smashed the glass over, he could run away immediately.

"It is." Xiao Yan smiled. Although he was afraid of Gu Mocheng's anger, he was also looking forward to it.

"There is a race in the underground racetrack recently. The prize money is very high. Your wife gave her name in the name of he an. "

Xiao Yan finished, looked at Gu Mocheng's cold face, smiled, "Gu Mocheng, you relax, relax."

"Don't be angry. Go home and talk to your wife. Don't hit people."

As soon as he said this, he was encouraging Gu Mo to become a violent family.

Gu Mocheng slowly picked up his glass, took a drink, looked up at Xiao Yan,

"we haven't fought for a long time, let's play one."

As he spoke, Gu took up his coat on the sofa and went out first.

Xiao Yan, who followed him, felt that he deserved it. He was so bored that he wanted to fight with his husband and wife. Now, he will beat him first.

"Don't worry, Gu Mocheng. I won't let your wife compete." Xiao Yan follows Gu Mocheng to flatter him.

"No," Gu said in a low voice

"Let her play!"

Let her play! Xiao Yan thinks that he heard it wrong. Gu Mocheng hates other people's racing, especially knowing that su'an can play this project. He is obviously angry.

Otherwise, how could I think of beating him out.

At the end of a fight, Xiao Yan's face was beaten blue and purple by Gu Mocheng. He told Gu Mocheng not to hit him, which affected his impression in the little girl's heart.

But as if Gu didn't hear him, he hit him in the face.

"Sign me up for the competition."

Gu Mocheng suddenly said something. Xiao Yan was stunned and stared at him.

Sign up for the competition? What competition? Gu Mocheng doesn't want to

take part in the race!

"You're going to compete with your wife!" Xiao Yan asked.

Xiao Yan is looking forward to a better play.

"OK, I'll sign you up right away!" Xiao Yan said, very happy.

Chapter 173

Because it's a big racing race once a year, so many people come here. The people who run this competition have a strong background. They have already got through the relationship of each game, which has opened a green light for the competition.

Suan is wearing a clean cowboy suit and is looking forward to the competition tonight.

Not only the attractive bonus, but also the thrilling feeling of racing.

"Ann, this is the list of today's competition. Have a look." Fu Xin came to suan'an with a pamphlet.

Suan looked at it casually, and heard that many experts had come this time. She's not afraid, but she's looking forward to a fight with them.

"Zhou Qi!" Fu Xin read a name on the list and said.

Suan thought Fu Xin knew the man and asked, "do you know him?"

"Very powerful?"

"No." Fu Xin said, "Ann, don't you think the name is very interesting?"

Su'an looked at Fu Xin puzzled. She didn't see where a name came from.

Zhouqi Zhouqi, isn't the name normal.

"Zhou Qi, beat his wife." Fu Xin said and smiled.

"How did he get the name, so he wanted to beat his wife up." Fu Xin explained that the more he read the name, the more interesting he felt.

Su'an doesn't feel like much. It's just a name.

Fu Xin's homophony is still negative. Fu Wan doesn't know how to give Xiao Xin the name.

"Gu Ziming that?" Fu Xin asked again.

From su'an, we know that Gu Ziming and su'an will win the championship tonight.

"Just called me and said it came." Suan explained. "He went back to get something today, and his mother stared at him."

Being stared at by old lady Gu, it was hard for Gu Ziming to find an excuse to slip away. At last, he lied that he went to the bathroom and climbed the window before coming out.

When su'an finished talking about Gu Ziming, Fu Xin suddenly wondered how she came out.

"Ann, how did you explain it to Gu Mocheng?"

Su an an turns to look at Fu Xin and says with a smile, "he has social intercourse tonight."

It's a coincidence that she is wondering how to tell Gu Mocheng that he can't

go back to the old house to sleep. Gu Mocheng first tells her that he has social intercourse late at night.

Gu Mocheng has passed this pass. She and Gu Zhen and Mrs. Gu randomly talked about a reason. She said that she would come back later in the evening when there was an activity in the school.

It's that simple. She came out and people showed up on the track.

"We fought fast and reached the finish line as fast as we could. So when I go back, Gu Mocheng should not have come back. " Said Suan.

Fu Xin's "grace" echoed, "I hope everything goes well tonight."

As they were about to get in the car and start the race, Suan's cell phone rang in his pocket.

When hearing su'an's sweet cell phone ring tone, she was nervous. She looked at Fu Xin, and inexplicably, Fu Xin was also nervous.

"Ann, it's not Gu Mocheng." Fu Xin asked in a soft voice.

They have come to the competition no less than ten times, but none of them are as nervous as they are today.

Su An'an takes out her mobile phone and looks at the number on it. The whole person is more tense. She nods to Fu Xin, saying that Gu Mocheng is the one calling.

"Husband." When she got through, she said softly, with a smile on her face.

When she said this, she made a "Shh" move towards Fu Xin. However, it's so noisy here. Fu Xin doesn't speak, and the voice of others can still reach Gu Mocheng's ears.

"Have you had a good time?" Asked Suan slowly.

"No."

Hearing Gu Mocheng's words, su'an was relieved. She then asked, "when can you go home? I miss you?"

Through the window glass, Gu went through the crowd and saw the expression of suan'an calling him.

Miss him?

When he heard this, he was not half happy, but angry.

Xiao Yan beside him is frightened by the cold breath of Gu Mocheng. Should he not accompany Gu Mocheng to come here.

"I haven't been back. It should be very late today." Gu Mocheng said in a light voice.

He was clearly angry, but his words were as plain as usual.

"Oh." Su'an answered, and she said, "honey, you should drink less and take care of yourself."

Gentle words to hear the effect of Gu Mocheng's heart can only be to add fuel to the fire, he looked at her small face, wish to get out of the car now to beat her.

Don't listen to him, run for a ride!

"Ann, why are you so noisy?" Asked Gu Mocheng.

The shrieks around him were left to suan'an to hide the phones from his ears.

What's more, Gu Mo's cost is coming from the racetrack. He knows what's going on here very well."When the school organizes activities, everyone has a good time." Suan looked at Fu Xin and lied.

"Is it?" Gu Mocheng hooked the corner of his mouth and smiled coldly.

The little girl is very calm.

"Well, so I'll stay in the apartment later." "I'm sorry, honey, I can't accompany you tonight," she continued

"It doesn't matter!" Gu Mocheng replied in a cold voice. He tried to control his anger and got out of the car to beat the little girl for fear of an impulse.

I'm sorry to say it to him. Look, her face is full of happy smiles.

When Gu Mocheng was calm and angry, he heard su'an say, "honey, go to bed earlier. I'll play first."

"Good fun." He said in a slow voice.

As soon as he finished, Suan ended the call.

"Xiaoxin, I'm scared to death. I almost need help." Su An'an said to Fu Xin nervously with her mobile phone and her chest patted.

Fu Xin thinks that su'an's performance is quite perfect. He's not red in the face and doesn't jump in the heart.

"Ann, your acting is getting better and better."

As he said that, Fu Xin patted Su An'an on the shoulder, "don't worry, Gu Mocheng is absolutely cheated by you."

Hearing the word "cheat", su'an lowered her head and whispered, "I don't want to cheat him either."

"But he doesn't like me racing, and I want to take part."

"Grace." Fu Xin nodded to understand, "let's get in the car and go to the starting point."

Suan responded. The smile on her face faded and she began to enter the state. Racing is very dangerous. If you are not careful, you will pay for your life.

Sitting in the car, Gu Mocheng received all su'an's phone expressions. Seeing her and Fu Xin go away, he lowered the window and took out a cigarette to smoke.

"Your wife has great potential."

Xiao Yan said that he had the cheek to follow him to the theatre.

Looking at the name Gu Mocheng chose, he thought the competition tonight was very interesting.

Zhou Qi, Zhou Qi, is not to beat his wife. Gu Mocheng must want to give his

wife a good beating.

Gu Mocheng looks at Xiao Yan and doesn't understand his meaning.

"Acting." Xiao Yan smiled, "in front of you is a little sheep, turning around is a wild cat."

"Is it?" Gu Mocheng asked in a calm voice.

Xiao Yangang wanted to say that. When he saw Gu Mocheng's cold eyes, he dared not say a word.

At this time, it's better to watch the theatre quietly. Gu Mocheng's anger has reached a high point, and one more fire will definitely hurt the pond.

"Mocheng, your nephew." Xiao Yan pointed to Gu Ziming who was looking for someone outside the window.

Gu Mocheng continued to smoke, thinking that he was hit by suan'an's car in the racetrack last time, and met Gu Ziming.

Chapter 174

These two people should have known each other before.

"Call him here." Gu Mocheng said in a sharp voice. Xiao Yan smiled pleasantly and called Gu Ziming.

Gu Mocheng has to find someone to divert his attention, or he will suffer first.

Gu Ziming climbed the window of the bathroom and the wall of Gu's old house to get here.

Today, many people came to participate in the competition. He called Suan with his mobile phone and asked her where she was.

After the call, he hung up his cell phone and turned around carelessly. Seeing Gu Mocheng smoking in a car, he suddenly stopped.

Second uncle!

How could it be! Gu Ziming blinks his eyes hard, thinking that he must be wrong.

Suan said that uncle Er came back late today, but how could he appear in the racetrack.

When Gu Ziming thought about it, he turned on his cell phone again, intending to inform su'an.

No matter why the second uncle came, he had to let su'an leave before the second uncle saw him.

"Ziming."

Gu hasn't called out yet. He finds that Gu Mocheng has seen himself. When he turned and ran away, Xiao Yan, who was beside Gu Mocheng, waved to him with a smile.

Is he running or not!

Finally, Gu Ziming had to go to Gu Mocheng and take the initiative to confess that he should be able to get less beating.

"What a coincidence, uncle." Gu Ziming said hello with a smile, and then he said, "I'm here to see my friend's car, aren't you?"

Gu Ziming is flustered. Xiao Yan says to Gu Mocheng with a smile, "your nephew is so sincere that he is nervous and trembling when he lies!"

"Shaking hands! I didn't. " Gu Ziming said humbly that he immediately clenched his hands. "Where am I shaking?"

He looked down and saw his hands shaking.

Xiao Yan smiled more proudly.

"No." Gu Mocheng put in a sentence. He didn't wear a suit as usual, but a casual suit. He put a cigarette between his fingers and swallowed the cloud and said to Gu Ziming.

Gu Ziming is stunned. Er Shu means he didn't come to see the car.

"Your second uncle is coming to the game." Xiao Yan replied for Gu Mocheng.

"No way." Gu Ziming said in surprise, "aren't you the most annoying person, uncle Er? Why come and play? "

Gu Mocheng looks at Gu Ziming with a calm face. His eyes are so scared.

"Second uncle, are you looking for the little aunt?"

Gu Ziming decided to sell suan'an. In front of the terrible second uncle, he decided to save himself first.

"Here she is!"

"Is it?" Gu Mo asked coldly, "how do you know?"

"It's also said that your nephew and your wife come here to drive without telling you. Maybe they will collude to win a big prize and go back." Xiao Yan said with a smile.

The smile on Gu's face suddenly froze. He thought for a moment and said, "Er Shu, I really came to see my friends play."

"I've been very good lately and I think this kind of game is so dangerous. I have to listen to you."

"By the way, my aunt is a racing expert. She was very happy when she heard about the competition. I told her that you don't like uncle Er, she didn't listen at all. " Gu Ziming sold su'an to the end, and by the way, put the responsibility on su'an.

Anyway, with the second uncle's temperament, no matter how angry he is, he will not do to suan'an.

"So you listen to me more than she does." Gu Mocheng said with a sneer.

Gu Ziming smiled and looked at Gu Mocheng pleasantly. "Second uncle, su'an is too bad. It's a set in front of you and a set when carrying you. She knows you don't like racing, and she's not telling you to come. Where like me, just to see. "

Gu Mocheng stares at Gu Ziming coldly, which makes Gu Ziming jump.

"Er Shu, believe me, I really came to see my friends play."

"Watching the suan'an competition?" Xiao Yan asked with a smile.

Gu said, "yes, uncle Xiao, how do you know?"

"I didn't want to come, su'an," Gu Ziming said, glancing at Gu Mocheng's face and changing his mouth at once. "The little aunt has to pull me over and say let me cheer her up."

"Mo Cheng, when did your family change to an entertainment company?"

"With your wife and his acting skills, you invest in a TV series, and the ratings should not be a problem." Xiao Yan joked.

Gu Ziming is in a hurry to explain to himself, "Er Shu, I really come to see my friends. Don't listen to Uncle Xiao."

Gu Ziming insists that he's here to watch the game, and he doesn't use his real name to report the game. Gu Mocheng has no time or mood to calculate Gu Ziming's account.

"Ann's game doesn't need you to watch." Gu Mocheng said in a low voice, "Ziming, go home early."

"OK, uncle." Gu Ziming said with a smile that he would like to make a phone call with su'an and tell her second uncle that he has come to arrest her. "Give me your cell phone, Ziming." Gu Mocheng sees through Gu Ziming's mind. He asks Gu Ziming for a mobile phone.

There was no smile on Gu's face. "Second uncle, how can I call my little aunt to inform her?"

"Did your second uncle say you called Suan? It's really a no brainer. " Xiao Yan couldn't see Gu Ziming's IQ and asked.

Gu's family are all very smart. How can Gu Ziming be so stupid? Inherited from the old lady?

"Second uncle!" Gu Ziming wants to call for injustice. Under Gu Mocheng's chilly eyes, he obediently hands over his mobile phone.

"In half an hour, I will call Gu's old house and hope you are at home."

After Gu Mocheng said it, Gu Ziming said, "goodbye, uncle Er, turn around and run.

Half an hour? At least 40 minutes from here to Gu's old house, he left unclean and could not go back home after another half hour.

"Gu Mocheng, are you looking for your little wife now?" Xiao Yan said with a smile.

I'm really looking forward to it. What's the expression of seeing Gu Mocheng come to arrest people?

How to punish Gu Mocheng when he catches people?

Gu Mocheng turned his head and looked at him coldly. If he didn't go back to Xiao Yan, he started his car and rushed to the starting point.

Su An'an doesn't know what's going on today. He's very uneasy with his eyelids. He always feels that something bad is going to happen.

"Xiaoxin, can I die here today?"

Is there going to be an accident today?

"Bah bah!" Fu Xin immediately said, "suan'an, you can't think about something good. For example, we won today, for example, we went out for a tour with a bonus!"

"I'm still in your car. You have to drive slowly, or I'll be gone."

"Grace." Su'an took a deep breath and calmed down.

She tried to breathe in and out, but why couldn't she feel at ease.

At the beginning of the competition, suan'an immediately pulled back her mind. She focused on the steering wheel and the accelerator. Today's route has no urban part, and it's all the most difficult roads in the suburbs of Ningcheng.

For example, if you want to pass a mountain road halfway, if you don't pay attention to the car rolling down, you are really dead.

High bonus, high natural risk factor.

Su'an knows that she can't compete with others in that section of the road. She has to take the prize money and protect her life.

She will grow old with Gu Mocheng.

Thinking of Gu Mocheng, Su An'an's corner of the mouth couldn't help chuckling. Suddenly, Fu Xin said, "An'an, a car has overtaken you!"

As soon as Suan left, he rushed out, accelerated all the way, and directly left the car behind.

I didn't expect a car to quarrel with me so soon.

Su'an's gear shift is accelerated immediately, but the bonus can't be let slip away from his palm.

However, su'an knows that she is a master. She is chasing after the car, but she can't surpass it.

She left, he also left to block her, she right, he also drove to the right, is not to let Suan's car drive past.

Su'an seldom meets such a situation. Generally, she drives ahead of others and blocks others' way.

Chapter 175

The window of the car in front suddenly rolled down. At night, su'an and Fu Xin saw that the front passenger's seat held out a hand, which became a fist, and then thumbed down.

They were familiar with the movement, but su'an was more angry when she saw it.

The man's action was to look down on her.

Suan gnawed her teeth angrily and pressed the accelerator down to the bottom. She planned to rush through the right side of the car as fast as she could.

Instead of going straight to the right, she moved to the left and, as she approached the rear of the car, abruptly changed the steering wheel to the right.

Su'an speeds up and rushes past. Fu Xin has rolled down the window beside her. He wants to see what it looks like to overtake her?

Strange to say, Gu Ziming said to join hands with them, but he didn't see his shadow for such a long time.

According to his technique, he shouldn't be at the back of the car.

When surmounting the past, su'an and Fu Xin turn to look at the past.

The window of the car was moving down because the speed was so fast that Suan caught a glimpse of the man's side face.

Although it's just a fragment, a shadow, but Suan's heart is shaking violently.

She is wrong. She must be wrong.

"An'an, it's Xiao Yan!" When the car passed, Fu Xin said in surprise.

Su An'an focuses on the people who watch the car, but Fu Xin sees Xiao Yan in the car waving at them.

"Xiao Yan!" Su an an repeats his name. Xiao Yan is Gu Mocheng's brother. Even if the man driving just now didn't read it wrong, it was Gu Mocheng.

No! Suan felt that he had a bad time tonight.

When she thought about it, Gu Mocheng's car overtook him.

The car sped forward without stopping. Su an was wondering. She and Fu Xin were wrong.

The people in the car are not Gu Mocheng and Xiao Yan, but people like them.

However, no matter how many similar people in the world, they will not happen to have two people like Gu Mocheng and Xiao Yan in the same car.

"Ann, be careful!"

Su'an is upset by the sudden appearance of a man similar to Gu Mocheng. Fu Xin sees that the car in front suddenly slows down. When their car approaches, it suddenly crosses in the middle and blocks the direction of their car.

Suan looked at the car parked in front of them, because the speed was too fast, she stepped on the brake to hit it.

She watched the man in the driver's seat come out, a cold face reflected in her eyes, and suan'an had no time to think about it, and directly hit the car on the side of the guardrail.

Fortunately, she braked in time and the car didn't get hit badly.

Neither she nor Fu Xin was hurt.

Su'an has recovered from being hit. Gu Mocheng's people have come to her car.

"Get out of the car!"

Gu Mocheng said to suan'an in the car with a calm face.

Su'an's arrogance went out when she saw Gu Mocheng. She raised her head and stared at Gu Mocheng, calling out, "husband."

She deliberately whispered, trying to soften Gu's anger.

However, it seems useless. Gu Mocheng's face is ugly. She has never seen such a Gu Mocheng.

She got out of the car and said, "honey, I'm sorry!"

"Suan." Gu Mocheng is biting his teeth and calling her name. He is staring at her all over the body. His heart is still pounding when he was scared by the collision just now.

"You promised me something." Gu asked in a cold voice.

Suan lowered his head and dared not speak.

"Go." Gu Mocheng's voice is cold. Where can su'an dare to say more? She looks at her car which has been damaged.

If you don't get the bonus, you have to pay for the car.

She paid for the car.

Su'an followed Gu Mocheng to his car in fear and sorrow.

Before getting on the bus, Xiao Yan smiled at Su An'an and said, "good little sister-in-law, my name is Xiao Yan."

"You're too good at driving."

When he boasted, he saw Gu Mocheng with a black face, smiled and walked to su'an. "Little sister-in-law, I opened the gold selling cave. When you want to come, you can come and play. Red wine and beautiful men are free."

Xiao Yan has met Su Anan in the gold selling cave. Since Su Anan likes racing cars, he must also like to go to the bar.

"Go away." When he finished, Gu Mocheng said a word in a cold voice.

Xiao Yan hurriedly took a step back, which was still far away from Gu Mocheng.

When he was far away, Gu Mocheng and su'an had got on the bus. He was thinking about how Gu Mocheng would deal with su'an. Suddenly, he found that his car had been driven away by Gu Mocheng. He was in the wilderness. How should he go back?

Xiao Yan regrets how he got off the car. He hears the sound of the car starting behind him. He remembers that su'an is with her friend. "Hello, I'm going back to Ningcheng, too." Xiao Yan turns to knock on the window and beckons Fu Xin inside to open the door.

But Fu Xin didn't seem to see or hear. She stepped on the accelerator and left.

If Xiao Yan is such a lousy person, how can she be bullied if she is taken to a hidden place by him?

He who changes a woman every day may be touched by him, and her hands will become rotten.

She has to stay away from such scum.

So Fu Xin chooses to drive away by himself and manage how Xiao Yan can get back.

The car drove away in front of Xiao Yan. Xiao Yan ran after him, but the two

legs of a man were not as fast as the four wheels of the car.

He could only watch the car go farther and farther from his eyes.

"Stinky girl!" Xiao Yan angrily scolded.

This girl, he remembered! Dare to leave him on the side of the road.

Xiao Yan stands on the side of the road and wants to take out his cell phone and call someone to answer it. He touches his pocket. Unfortunately, his cell phone is also in Gu Mocheng's car.

How many roads is this mountain and mountain away from Ningcheng urban area? Besides, he is still a road fool. He doesn't know where to go even if he wants to go?

Originally, he came out to see a play. Why can he only see stars now.

Sitting in the car, su'an dare not make a sound. She lowers her head and secretly looks at Gu Mocheng around her eyes. But when she sees Gu Mocheng's face, she dare not make a sound.

She didn't dare to talk and didn't know what to say!

The atmosphere in the car is very depressing, which makes Suan very uncomfortable.

During this time, she was used to the feeling of being held in the palm of her hand by Gu Mocheng. His face suddenly changed, and su'an was not used to it. She was even afraid of Gu Mocheng's anger.

After more than 50 minutes in China, they arrived at their old house and got

off the bus.

Su'an followed Gu Mocheng, but he didn't say a word to her.

Suan comes up and drags his clothes.

"Honey, I'm sorry, I'm wrong."

As Suan spoke, tears ran out of her eyes.

Seeing that he was angry, she was in a bad mood.

Gu Mocheng looks at the tears on her face and tells herself that she can't be soft hearted. She doesn't know how to deal with it.

He pulled her hand away with a cold face.

Then, Gu Mocheng went straight in and didn't wait for su'an any more.

Su An'an watched him leave. He was very sad. He wanted to cry but didn't dare to let himself cry. He put out his hand to wipe away the tears from his eyes.

Gu Zhen and old lady Gu are teaching Gu Ziming a lesson. They are angry that Gu Ziming is not obedient and goes out the wall at night. Gu Zhen didn't fight Gu Ziming because of her body. The old lady scolded Gu Ziming, but she couldn't be cruel, so Gu Ziming stood in the hall.
